Dear Mr. Doedens

On behalf of all of us at Ernestine's Women's shelter, I would like to take this opportunity to express to you and File Bank our deepest appreciation for everything that File Bank has done for EWS and in particular sharing with us one of your greatest resources David Milke.

David has been an active participant at ESW for several years. His commitment, generosity and humor have made him a vital volunteer.

David sits on our Ernestine Affair Committee which is responsible for our largest Annual Fundraising event. David brings ideas and takes on so much of the work required to insure a successful event; I can't imagine not having him as part of the planning process.

As I am sure you know Ernestine's is an emergency shelter for women and children escaping violence. Every year we also host a winter celebration and we do everything we can to insure that we provide as much as possible to the more then 300 women and children that will access our party, food bank and other services over the holiday season.

The File Bank family has picked up donations for us and has stored them especially during the holiday season. Your support during this event levitates so much stress for us and supports the amazing success of this party. David has made himself available and the words "if you need anything call me" are not lip service to this man they are actions.

Mr. Doedens, we are very proud of our partnership with File Bank and you should be just as proud of an employee as David as he truly is the epitome of community. We recently celebrated our 13th Annual Fundraising Gala, David is an active member of the Gala's committee and very much an iatrical part of its success. On behalf of all of us at EWS we want to thank all of you at File Bank.

Sincerely Yours
